Circular to Parents, School Year 12-13

DS5 No.82

Dear Parents,

Application for MS1 Elective Subjects in 2013–2014

Attached is your child's personalised application form for the elective subjects he/she would like to take in the coming academic year. Subjects will be allocated to students based on their preferences indicated on the Subject Selection Form, deployment of resources of the school and teaching effectiveness.

The subject allocation result will be announced at 12:00 noon on 19 July 2013 through our school web-site www.logosacademy.edu.hk/allocation/. You are required to use your child's student number and identity card number (first 5 characters including the English letter, if any) to login to check the results. Generally speaking, the student's Hong Kong Identity Card Number has been used for school registration. If your child does not have a Hong Kong Identity Card, you should use his/her passport number, HKSAR Re-entry Permit number or One-way Permit number to login.

Please complete the Subject Selection Form attached and have your child return it to his/her homeroom teacher by 27 June 2013 (Thursday). Late returns will affect your child's application for the subject allocation.

Yours sincerely,

Paul CHO
Principal
